Advertisement for the Junior Research Fellow

Applications are invited from the interested candidates for the post of Junior Research Fellow to work on the in DST-SERB sponsored project titled "**Active Particle Suspensions in Viscoelastic Fluids**" sanctioned by the Science and Engineering Research Board (SERB), Govt. of India. The JRF will be initially appointed for a period of **one year** and may be extended for a maximum of three years depending on performance, which will be evaluated at the completion of each year. The post is purely temporary and co-terminus with the project.

S.No	Position	Area of Specialization	Duration	Consolidated Salary per Month	No. of Positions
1	Junior Research Fellow (JRF)	Computational Soft Matter Physics	01 year (Extendable up to the duration of the project based on satisfactory performance)	Rs. 31000/- (p/m + HRA @16%)	01

Essential Qualification and Criteria:

1. MSc (Physics) or any Master's degree with relevant background. The candidate should have a consistently good academic record.
2. With Valid NET/GATE Score.
3. Upper age limit: 32 years.

Application Process:

The duly filled application form along with the requested details, scanned copies of certificates, and other supporting documents should be uploaded through the online portal (<https://apply.iitjammu.ac.in/#/home>) latest by June 10th, 2023. Please apply through the [contract/project staff/JRF/SRF] tab on the referred application portal. Candidates who are already employed should produce a relieving certificate from their employers if selected. The interview will be conducted for all shortlisted candidates.

Attention:

1. The applicant will be responsible for the authenticity of the information, other documents, and photographs submitted.
2. Merely possessing the prescribed qualification does not ensure that the candidate will be called for an Interview. The candidates may be shortlisted based on merit and need for the project.

3. Shortlisted candidates will be informed by e-mail about the interview. So, the candidate must provide valid e-mail IDs, and phone number information in their applications.
4. Shortlisted candidates must present themselves for the interview on the interview date with an updated CV and original and attested photocopies of mark sheets/certificates supporting their academic qualifications. Only shortlisted candidates will be called for the interview. The time of the interview will be informed to the shortlisted candidates by e-mail. The interview will be held using the online/offline platform.
5. Candidates who are already employed should produce a relieving certificate from their employers if selected.
6. The last date for receiving the duly filled-in application is 10th June 2023, through an online portal.
7. The date of the interview will be informed to the shortlisted candidates through email.
8. **Candidate must upload all the documents with respect to educational qualification, experience, etc.**
