Recruitment for one Junior Research Fellow Position

Applications are invited from highly motivated and eligible students for the recruitment of one of Junior Research Fellow (JRF) on a temporary basis to work on the project **Emergent phenomena in 2D heterostructures (DST/NM/TUE/QM-8/2019(G)/1)**.

The selected candidate will prepare the sample, perform the transient absorption measurements, and theoretically modeling of many-body interaction in 2D heterostructures.

Eligibility: M.Sc. in physics/applied physics from a recognized University/Institute with a minimum of 55% marks. Candidate has previously qualified CSIR /UGC NET or GATE or equivalent national level examination with adequate experience in low temperature femtosecond pump-probe measurements in reflection geometry and preparation of 2D materials.

Salary: Rs. 37000/- + HRA.

Duration: The appointment will be for one year.

Application containing cover letter, CV, and required documents should reach to adarsh@iiserb.ac.in before deadline. The shortlisted candidates will be called for an online/offline interview. Original documents should will be checked during the interview. No TA/DA will be paid for attending the interview. Only shortlisted candidates will be intimated by email for the interview.

Last date of receiving the application is April 4, 2024.
