Position: Science Communicator

Location: Institute of Chemical Technology, Mumbai

Employment Type: Full Time

Duration: 24 Months with 6 Months Probation. The Job may be extended based on performance of the candidate.

Salary: 15,000 Basic (Other benefits like DA, HRA, ESIC and Bonus as per ICT Norms)

Role Overview:

The Institute of Chemical Technology, Mumbai, is seeking a dynamic and enthusiastic Science Communicator to join our team. The ideal candidate will play a pivotal role in translating complex scientific research into accessible, engaging, and informative content for diverse audiences. This position aims to enhance the visibility of our research, promote public understanding of science, and foster stronger connections between our institute and the broader community.

Key Responsibilities:

- Develop and implement effective science communication strategies.
- Write, edit, and publish engaging content, including articles, press releases, social media posts, newsletters, and website updates.
- Collaborate with researchers to accurately convey the significance and impact of their work.
- Organize and promote public events, workshops, and lectures that highlight the institute's scientific achievements.
- Manage media relations, including responding to inquiries and facilitating interviews with researchers.
- Create multimedia content such as videos, podcasts, and infographics to support communication efforts.
- Monitor and evaluate the effectiveness of communication activities and adjust strategies as needed.

Qualifications:

- Bachelor's degree in Science, engineering, Communication, Journalism, or a related field (advanced degree preferred).
- Proven experience in science communication, journalism, or public relations.
- Excellent written and verbal communication skills with the ability to simplify complex scientific concepts.
- Proficiency in using social media platforms and digital communication tools.
- Strong organizational and project management skills.
- Ability to work collaboratively with researchers, faculty, and administrative staff.
- Creative thinking and problem-solving abilities.

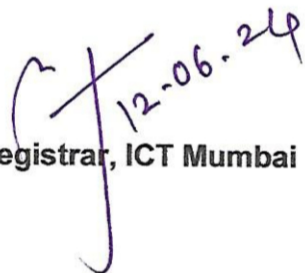

Application Process:

Interested candidates should submit their resume, a cover letter outlining their relevant experience, and samples of previous work (e.g., articles, press releases, multimedia content) to following link:

<https://forms.gle/sUbcAx2pVowbkUgH6>

Deadline for Applications: June 30, 2024 5.00 PM

Only shortlisted candidates would be called for physical interviews in ICT Mumbai campus. No TA/DA would be provided to attend the interview.

A handwritten signature in blue ink, followed by the date "12-06-24" written in blue ink above the signature.

Registrar, ICT Mumbai
