Advertisement for a Research Associate (RA) position in the Department of Chemistry

Applications are invited from eligible candidates for a Research Associate (RA) position to work on a DST research project in the Department of Chemistry, IIT Hyderabad.

Project details: The candidate will work on a project related to computational molecular reaction dynamics and spectroscopy for chemical systems in different environments.

Duration of appointment: The position is for 10 months.

Eligibility: Candidates with a **PhD degree in Chemistry or Physics** from reputed institutions/universities can apply for the RA position. Expertise in programming languages (python, fortran) is mandatory.

Fellowship and allowances: Rs. 47000 per month (consolidated). Accommodation inside the IIT Hyderabad campus is subject to availability. No HRA will be provided.

How to apply: Eligible candidates may send his/her **updated CV** (corresponding address, DOB, phone no., e-mail, educational qualifications, experiences, list of publications etc.) to **Dr. Debasish Koner (Email: debasishkoner@chy.iith.ac.in) on or before 10th July 2024**. Shortlisted candidates will be invited for an online interview. The interview date and other details will be emailed to the shortlisted candidates.
