Panjab University Chandigarh-160014, India

(http:\\biotechnology.puchd.ac.in)

Dr. Kashmir Singh Professor kashmirbio@pu.ac.in No: Dated: 5/6/2014,

Adv for Post of Young Professional II (YP-II)

One Position of Young Professional II (YP-II) is available in the ICAR-NASF sponsored project entitled "Developing genomic selection strategy for accelerating breeding program in perennial fruit crops grape, guava and mango" to be executed in the Department of Biotechnology, Panjab University, Chandigarh with following terms and conditions:

Position:

YP-II-1 (One)

Duration:

For three year or end of project (whichever is earlier)

Emoluments: Rs 42,000 p.m fixed

Minimum Essential Qualifications:

- 1. M.Sc degree in Biotechnology/Life science with at least 60% marks.
- 2. Minimum two years of experience after M.Sc in bioinformatics/computational biology, specifically in high throughput transcriptome data analysis, GWAS, comparative genomics, etc.

Desirable:

1. The candidate should have good publications in bioinformatics, specifically in high throughput transcriptome data analysis, GWAS, comparative genomics, etc.

Age: Less than 40 years.

Interested candidates may send the attached filled bio-data and self-attested copies of the necessary certificates indicating the date of birth, educational certificates from 10th onwards experience certificates and copies of publications (if any) to Prof Kashmir Singh, Department of Biotechnology, Panjab University, BMS Block I, Sector 25, Chandigarh 160014 by speed/registered post/ courier or by hand. Last Date for receiving the application is 28.06.2024

The shortlisted candidates will be called for an interview. No TA/DA will be paid for attending the interview. The position is purely temporary and co-terminus with the project.

(Dr. Kashmir Singh)

Principal Investigator ICAR-NASF Research Project
